Top Digital Marketing Agency in Pune

EdgeLink Technology Pvt Ltd is a top digital marketing firm in PCMC and Pune, offering SEO, paid ads, social media, and web development services. Known for their transparent, data-driven approach, we work with startups and established businesses to deliver measurable digital results.

Behind every successful online campaign is a team that understands both the technical side of digital marketing and the human behavior that drives buying decisions. We do not just run campaigns. We build long-term partnerships that help brands grow sustainably in an increasingly competitive online landscape.

Why Businesses Choose EdgeLink Technology

- Deep understanding of the local market and consumer behavior
- Honest, jargon-free communication with clear deliverables
- Every strategy is backed by data and real insights
- Accessible, responsive team genuinely invested in your results
- Transparent monthly reports with clear, measurable metrics
- Multi-channel expertise - SEO, PPC, social media, web development

8+ Years of Business Experience

2016

Webx Media was established, beginning the journey of innovative tech solutions.

2018

Rebranded as EdgeLink Technology Pvt Ltd, expanding capabilities and focus.

2021

Grew to 150+ clients and opened two new branches across India.

2022

Crossed 600+ clients, marking exceptional growth and reliability.

2023

Launched Kanpur operations, strengthening regional presence.

2024

Expanded into Chandigarh, continuing our pan-India growth journey.
